

The Montgomery Education Foundation (MEF) was created in 2004 to provide financial support for Montgomery High School and its programs, to promote community involvement, and to preserve and document the history and traditions of the school. Our mission is to enrich the learning environment for all students at Montgomery High School. Public funding for academics, school activities, and school improvements is becoming scarce. Increasingly areas including Music, Drama, Athletics, Art, Forensics, Leadership, Photography, and Academics must rely on outside support for their operations. The MEF accepts grant and funding requests from teachers and staff throughout the year.

The Montgomery Education Foundation and the Vikings Boosters are making plans for a grand 50th year celebration to honor the 50th anniversary of Montgomery High School. Look forward to hearing more about this event!

You can be a part of the Montgomery Education Foundation by:
