Don't forget to sign the petitions for the initiative to close corporate tax loopholes. Two are in the main office, and two in the TWR. Thanks to all of you who braved the cold Wednesday morning to "Stand up for Education". I will be attending Rep Council on Thursday, so if there are concerns you'd like me to bring up, please let me know. Also, I received the breakdown by schools on the ratification vote. I left some in the TWR and it's posted on the bulletin board there.
